

CIS 99 - Photoshop workshop

Student Evaluation Form

1. Do you feel that the instructor has a good understanding of the subject that they are teaching?

Our instructor has an excellent understanding of Photoshop, as well as other aspects of computer-generated artwork.

2. Does the instructor encourage students individually? How so?

Yes, the instructor gives plenty of positive reinforcement, is able to assist students when they are "stuck", and is non-judgemental of students' projects, as

3. What is it about the instructor's experience that you feel you as a student you can personally benefit from?

Nance is able to show students how to ~~complete a step~~ carry out their ideas in the most efficient ways, which is very valuable when using Photoshop as

4. Does the instructor appear organized and timely?

Yes, she is always early or on time, as well as being fully prepared for the activities for each class.

5. Would you take a class with this instructor again?

Most certainly!

far as subject matter and approach which encourages experimentation with the medium.

far as saving time and frustration go. Additionally, she is able to foresee and identify possible problem areas quickly, and has the ability to communicate the information calmly, clearly, and with compassion. Also, I believe I'll save a lot of time and money in the future from information I've learned in this class.

Student Evaluation Form

1. Do you feel that the instructor has a good understanding of the subject that ~~they~~ ^{she is} are teaching ?

yes, the instructor is very knowledgeable on the subject, and has a skill for solving problems encountered by the students,

2. Does the instructor encourage students individually ? How so ?

yes, the instructor encourages students to pursue their own interests and projects, more than working from the text book.
